Skills

HTML5 • CSS • JavaScript • React.js • Tailwind CSS • Bootstrap • project management • customer service • marketing • MS Office • react native • react redux • canva • Git • Github

Projects

Portfolio	Location Date period
I have developed a dynamic portfolio using HTML, CSS, and JavaScript, showcasing my skills in front-end web development. The portfolio features responsive design and interactive elements, highlighting my projects and expertise in a visually appealing manner.	
<ul style="list-style-type: none">What was a successful outcome of your work? (e.g. Raised \$3,000 for the charity)	
Amazon Page Clone Self Project	Location Date period
Developed an Amazon page clone using HTML and CSS, replicating the layout, design elements, and responsiveness of the original site. This project showcases proficiency in front-end web development and attention to detail in UI/UX design.	
<ul style="list-style-type: none">What was a successful outcome of your work? (e.g. Raised \$3,000 for the charity)	

Projects

Basic Calculator | Self Project

Location

Date period

I have created a functional basic calculator using HTML, CSS, and JavaScript. The calculator performs essential arithmetic operations such as addition, subtraction, multiplication, and division. It features a user-friendly interface with responsive design, making it accessible across different devices.

- What was a successful outcome of your work? (e.g. Raised \$3,000 for the charity)

To-Do List

Location

Date period

Developed a responsive to-do list web application using React.js for dynamic user interfaces and Tailwind CSS for modern, customizable styling. Focused on creating a seamless user experience with efficient task management features.

- What was a successful outcome of your work? (e.g. Raised \$3,000 for the charity)

Achievements & Awards

💎 I participated in college e-sports and secured 2nd place, showcasing teamwork and dedication. This achievement highlights our competitive spirit and commitment to excellence in the gaming community.

Why are you proud of this achievement?

Activities

NSHM Knowledge Campus, Durgapur

Volunteering in cultural fest at my college

Date period

I volunteered for the college cultural club during festivals, organizing events and coordinating activities. This experience enhanced my leadership skills and fostered a strong sense of community and creativity. I participated in a blood donation drive, contributing to a life-saving cause. This experience underscored the importance of giving back to the community and helping those in need.
